1500L Front Lift Bin

The 1500L Dumpmaster is a light weight bin that has been designed to comply with the Worksafe VIC guidelines for Manual Handling of Waste Containers issued April 2003.

Features Include:

- Light weight design – easily maneuvered by one person
- Moulded to almost any colour
- All metal parts are ‘cadmium’ plated – rust proof
- No interior corners or crevasses, reducing bacteria
- Fitted with a drain plug for waste water drainage following a hygienic steam clean
- Double skin dual lids for strength and durability
- Nylon castor wheels with neoprene tyres
